

## Goat Sausage Meatballs

These are easy to make, and can be used in other things or enjoyed by themselves. I make these with sweet and hot Italian sausage, but sage sausage, ground goat meat or any combination would work as well.

Ingredients:

- 1 lb Sweet Italian goat sausage
- 1 lb Hot Italian goat sausage
- 1/2 cup Grated Parmesan Cheese
- 1/2 cup Seasoned Bread Crumbs
- 4 cloves Garlic, minced
- 2 eggs, lightly beaten
- 1 tbs Oregano
- 1 tbs Thyme
- Salt and Pepper to taste

Directions:

Preheat oven to 350

In large bowl, combine all ingredients until blended

Shape into 3/4" balls

Set balls on ungreased shallow pan and bake for 20 minutes or until brown
